

## A PERRY SOUTH/CALIFORNIA-KIRKBRIDE

These North Side neighborhoods are riddled with about 2,000 vacant lots – around half of which are city-owned. “There are just derelict or empty plots with a bunch of trash. We have members that walk around Perry to pick up garbage, but it’s an ongoing battle,” said Perry South resident Lance McFadden, 35.

*Percent of parcels that are city-owned:*

*Total number of city-owned properties:*

**1,118**
